REACH, SVHC-LIST AND SCIP DATABASE

The last addition to the list of candidates took place on 23.10.2025; since this last update, 253 substances are on the candidate list. According to the articles 7, 31, 33 and 59 (chapter 10) of the REACH Regulation an information obligation exists if an SVHC substance in a concentration above 0.1% by mass is included in the article. Our products do not contain substances on the candidate list in concentrations above 0.1% by mass.

Candidate List of substances of very high concern for Authorisation - ECHA

Substances subject to authorization are listed in Annex XIV of the REACH Regulation. The latest addition to Annex XIV was made by the EU Commission with **Regulation (EU) No 2022/586** (last update 11.04.2022). Our products do not contain any substances listed in Annex XIV.

Regarding the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), our products are free of substances within the specified limits, the use of which is restricted in accordance with Annex XVII.

Regulation (EC) No 1907/2006 does not impose an obligation of declaration on us. Since the products are not hazardous or do not contain SVHC substances, we are not obliged to make entries in the **SCIP database.**

ROHS 3

CEDES products comply with the restrictions on the use of certain hazardous substances in accordance with the **RoHS Directive 2011/65/EU** (last update November 2025) to the best of our knowledge. This declaration already includes the four restricted phthalates, the marketing of which is prohibited by Directive (EU) 2015/863 from **22.07.2021.**

CHINA RoHS

CEDES products comply with the SJ/T 11363-2006 **(China RoHS)**.

PERSISTENT ORGANIC POLLUTANTS (POPs) AND PFAS

There are no substances listed in Annex I or Annex II of the **POP Regulation** (EU) 2019/1021 of the European Parliament and of the Council of 20.06.2019 on „persistent organic pollutants (POPs)“ present in CEDES products.

As **the „per- and polyfluorinated alkyl substances“ (PFAS)** belong to this POP group, we also can exclude the use of these substances in the manufacturing of our products (last update August 2026).

CALIFORNIA PROPOSITION 65

(Safe Drinking Water and Toxic Enforcement Act of 1986)

The products are semi-finished materials, and they do not fall under this guideline. Furthermore, the products do not contain chemicals stated in the list of chemicals.
